### International Carny Slated at Hamilton

Hamilton School PTA will sponsor its first big event, "International Carny," at the school Oct. 2 from 5 to 8 p.m. Under the direction of Mrs. Myron Spaulding, president, Mrs. W. Y. Wells, ways and means, and Dale Wickstrom, principal, the carnival promises to be an evening of old fashioned fun for both students and parents. Booths will serve hot dogs, chili, sweets and other carnival treats. One of the highlights will be a fun house, there will be an apron lady with a thousand pockets and a surprise in each pocket. Other booths will have baseball throws, fish pond, clown bean bag thro', country store, and one will feature live gold fish in their own separate bowls. The booths will be staffed by both teachers and parents of Hamilton School, and each person in the booths will be dressed in an international theme. Costumes will range from Uncle Sam to Hawaiian girls. Many of the eighth grade students will help their parents and teachers in the booths. The students are also making posters which will be placed at various local merchants' stores.

BOLD POSTERS spell out the big event. Miss Susan Mathews, sixth grade teacher at Hamilton Elementary School, 182nd and Casimir, and Danny Combe, 10 1/2, collaborate on posters for the schools "International Carny" next Friday on the school grounds. Food and game booths and a "fun house" are planned.
